## ABOUT THE BREWERY

If you're looking for quality beer from a top brewer, we think Weetwood Brewery should be at the top of your list. Right on our doorstep, this family run brewery uses local suppliers wherever possible and employs a great team of local people. In 2014, founders Adrian and Roger took a well-deserved step back and new owners Phil McLaughlin and Laura Humby arrived. A family team, Phil and Laura are passionate about continuing to produce and supply great beers. Order a pint from our bar and find out why Weetwood Brewery produces some of our favourite brews.

## CRAFT ALES

We take huge pride in the quality of cask ales. From barrel to glass, each beer is treated with the upmost respect and managed according to the specific brewer's guidelines. If you are not entirely happy with the quality or temperature of your beer, please speak to us.....we'll be offended if you don't!

In addition to our permanent beers on the bar we always have a couple of 'visiting' ales. These beers change every few days but can disappear in hours if really popular. There are an abundance of fantastic local breweries we like to choose from but also some beers from further afield we just can't resist! If you just can't make your mind up, please ask for a sample of your chosen beer before you buy one (or two!).

If you'd like to see a particular ale on the bar, let us know and we'll see what we can do.

Popular breweries we currently support include Coachouse, Beartown, Tatton, Spitting Feathers and many more.

## Devine WINES

Please see our dedicated wine list.

All the way from Sandiway, Jon from Define captures all that is best in a great pub wine list. From really solid every day drinking blends to a wide variety of the most popular grape varieties, there is a wine to suit all pockets. Even if you don't want to drink wine, read the list...we think Jon not only chooses great wine but writes very well also.

If you are looking for something fresh our favourite is the Picpoul. For a great red look no further than the Chateau Fargueirol. For a special occasion, try one of our magnums choice...sure to get the party going.
